

## INTERIOR

### ■ DESCRIPTION

The items listed below have been adopted on the new IS300/200 and IS300 SportCross.

- A center armrest is provided as standard equipment on the automatic transmission model and optional equipment on the manual transmission model, in order to improve comfort.
- Black, soft-feel paint has been adopted for the instrument panel to improve its quality.
- A leather shift knob is available as optional equipment on all models to improve quality.

### ■ LUGGAGE COMPARTMENT (Only for IS300 SportCross)

- Metallic-look materials have been affixed to the various areas to express a sporty image.
- A power outlet has been provided on the right side to improve the utility of the luggage compartment.
- An accessory box has been provided below the luggage compartment floor to improve the utility of the luggage compartment.
