■ HEADLIGHT CLEANER SYSTEM

1. General

- The headlight cleaner system is standard equipment on the IS300/IS300 SportCross models, and optional equipment on the IS200.
- In addition to the previous operation, a new function that operates in unison withe the front windshield washer has been adopted.

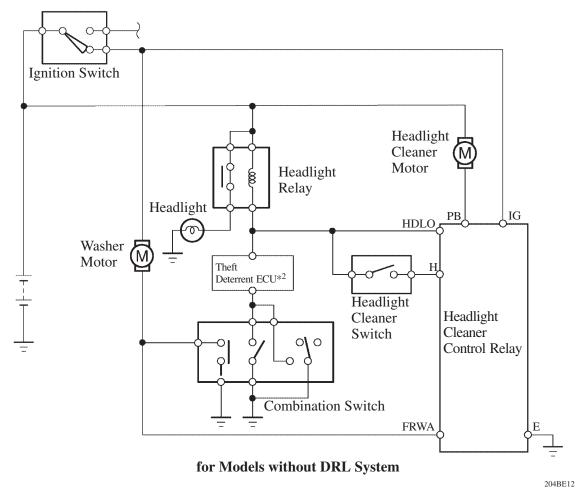

▶ Operation **◄**

Item	Headlight Cleaner Switch ON	Window Washer Switch ON (first time)	Window Washer Switch ON (second time and ON)
DRL (Daytime Running Light) ON*1	0	_	_
Headlight ON	0	0	_
Headlight OFF	_	_	_
